STAYED WITH THROTTLE

Was Ill But Piloted Train to Destination.

Cleveland, O., December 21.—After sticking to the throttle of his fast Lake Shore passenger engine, even though he knew he was seriously ill, Frank Krag, 50 years old, whose home is in Buffalo, clambered down from his cab in the Collinwood yards to die within a few minutes from heart disease.

In China it is not possible for a father to leave more property to one son than to another; all must share equally.

Weigh Yourself

and then after a few weeks weigh yourself again. If you are losing weight take SCOTT'S EMULSION. Breathe fresh air day and night. Eat simple food. Try this for a few weeks.

Then weigh yourself again. The experience of thousands of men, women and children is that

Scott's Emulsion increases the weight. It contains a power that produces new flesh. This simple treatment often cures consumption.

UTOPIA TO ALL THE OLD MAIDS

Women Should Have a State Where They Could Rule.

WAS SPINSTER'S BELIEF.

Newport, Mass., Dec. 21.—A state in which unmarried women should rule and in which "man's position should be restricted, as a woman is in other states," was the plan of Miss Gibbs, who left all her estate to Barnard college, ignoring her sister, Mrs. Margaret O. Post, who is now contesting the testament.

Portions of Miss Gibbs' manuscript were read in court at the trial. One of these entitled "Gleanings. A Gift to the Women of the World," copyrighted 1892, contained the following:

"My idea is to found a woman's state which women alone shall govern and direct, one in which man's position shall be restricted, as a woman's is in other states. As married women are too easily swayed by the opinions of their husbands, single women alone should fill the offices. Let us have a state in the United States to be a woman's state. When they marry they must resign their place."

M-A-T-R-I-M-O-N-Y SPELLS "TROUBLE"

Man, Aged Seventy-five, Has Three Wives.

IS THE VICTIM OF SUIT.

Montgomery, Ala., Dec. 21.—T. H. Thompson, an old man of Colbert county, is a party to a complicated marital controversy, in which two women and one man other than himself are concerned. He married some weeks ago wife number 3. Shortly afterwards they became dissatisfied.

He then told her that he was not legally married to her, that his second wife was yet living, and that he had never been divorced. A charge of bigamy was then brought against him. Investigation, however, proved that wife number two had a husband when she married Thompson, hence that alliance was not legal. Wife number one being dead the third marriage was therefore lawful. As a result the last wife has brought suit for support.

Thompson is 75 years old.

ACTIVITY SHOWN BY BRYAN ENEMIES

Opposition Plan to Throw Embarrassment in His Path.

SOUTH AND EAST BUCKING.

Washington, Dec. 21.—William J. Bryan's enemies in the democratic party are very busy. If he gets the democratic nomination for president he will have to fight for it. That he has sufficient strength to capture the nomination not even his bitterest enemy doubts, but the plan of his opponents is to put so many embarrassing obstacles in the way that he can not, in self-respect, accept the nomination.

It is a long chance that his opponents are taking, but they intend to make the most of it. In fact, it is all they can do under the circumstances. The situation in a nutshell seems to be that while the democratic masses of the Western and central states are for Bryan there is strong opposition to him among the leading democrats of the South and East and the scheming politicians of the party are trying to figure out some way to throw him overboard.

BRYAN DUCK HUNTING.

He Will Make Trip Through the South.

Lincoln, Neb., Dec. 21.—W. J. Bryan left Lincoln last night for a trip in the South. He will stop at Wichita, Guthrie and Oklahoma City. Next he will visit Bryan, Tex. At Galveston he will meet Governor Campbell of Texas.
